## ASL Required Curriculum

Specific ASL binders should be purchased through the link on the teacher's website. All other books may be purchased through online bookstores.

### ASL 1 and 2:

Required Textbook information is below. The same textbook is used for both ASL 1 & 2. This particular book has become difficult to find used, and is very expensive if purchased brand-new. You can find it on Amazon, and Harris Communications has had it on sale in the past. We will watch the DVD in class—I don't recommend that you buy it because it is expensive.
