## ***Piano Lessons with Cindy Campbell at ODA Policy\_***

### **Tuition**

Tuition is \$990 for the school year and is paid in monthly installments at \$110 a month. Tuition is due the 1<sup>st</sup> lesson of every month. There is a \$10 late fee after the first lesson of the month. If your child is absent that day, tuition can be mailed.

Please refer to the One Day Academy calendar online for holidays we do not have lessons.

It is important that the student bring his/her piano books to lessons because I will not have a copy of them. If a student shows with no books, then there cannot be a lesson.

There are **no makeups** for piano lessons because there is only one day of school per week. However, if I miss a lesson for any reason, I will arrange a makeup lesson in my home studio outside of my teaching hours.

### **Books**

If your student is a beginner, he/she will need the following books and they can be purchased at Capital Music by calling 512-458-1933. They can also be purchased at [www.sheetmusicplus.com](http://www.sheetmusicplus.com) or on amazon prime. If your student has played another instrument and they are 12 yrs old or older, please call me before ordering books.

### **Recitals**

There is one recital held in the Spring. All students are welcome to perform but it is not a requirement. There is also a \$45 fee, \$35 for siblings, for the recital. No charge for guests.

### **Grading**

Grading is Pass/Fail, all depending on a student's practicing. Five days a week of practicing is expected; for beginners 15-20 minutes and advanced students 30-40 minutes each day of practice.

### **Recommended**

It is recommended that students continue lessons during the summer in my Georgetown home studio as it is so easy to lose what skills you've gained when you aren't practicing them. Then we continue at ODA in the Fall. This however, is not a requirement; just a recommendation. There are makeups during the summer months of June, July and the first week of August, should a student miss any lessons and we usually take off the week of July 4<sup>th</sup> but there is an extra week in the summer that makes up for that week. Vacations dates must be given by June 15<sup>th</sup> to have guaranteed makeups. After June 15<sup>th</sup>, there must be 24 hours notice and makeups are not guaranteed. I am however, usually able to accommodate.

### **Discontinuing Lessons**

There is only a month to month commitment for piano lessons. If you decide to discontinue, payment for the month you are presently taking lessons in is expected.

If you have any questions regarding my policy, please don't hesitate to ask. **Please keep this policy on hand and refer to it as needed.**

Below, there is an agreement to this policy which requires that you sign only agreeing that you will abide by this policy as long as your child is a student of mine. Please mail to my address.

Yours truly,
